RULES AND REGULATION

- All games will be 15 minutes long. Double elimination.
- All shots regardless of location will count for 2 points.
- If the game is tied at the end of the 15 min. period, it will go to a sudden death free throw shootout.
- Teams will shoot from behind the 3-point arc to determine who starts with possession of the ball.
- Once a basket is made, the defensive team takes possession. (Alternate possession)
- After each made basket or change of possession, the ball must be taken back behind the 3-point arc before a shot can be attempted. If a team scores a basket without taking the ball back, the basket will be disallowed and the offending team will lose possession.
- After a basket, out- of- bounds, violation, or foul, the offense must “check” the ball with their opponent before play resumes and the ball must be passed to start play. There are no free throws.
- Players must call fouls and violations as necessary to keep the game under control.
- All held-balls are awarded to the defense first then they alternate for example on a jump ball or trying to stall to conserve time.
- Substitutions may be made at any time that play is stopped.
- Foul on shot results in check ball.
- No timeouts.
- There will only be free throws for technical fouls.
- If a player receives 3 fouls, they will be removed from the game (fouled out). They may return for the following game.
- The Bibb County Basketball Boosters and Volunteer Staff are the only administrators for the games. They will call fouls or violations as necessary. If a Staff member calls an excessive contact intentional foul or a technical foul, the penalty will be one free throw for the offended team, and the ball will be awarded to the offended team.

- The Staff may remove a player from a contest without warning if the player is behaving inappropriately (cussing, excessive fouls, unsportsmanlike conduct). The player will be removed from the tournament completely. All decisions made are final.
- Game time is forfeit time.
- After a game, the winning team must report results to the officiating table and check the schedule for the time of their next game.
